Parents,

Fundraisers can offset some of these expenses. Your Head Coach must approve any personal fundraising done, beyond those provided by the coaching staff. Some fundraising may require parental participation and will take time and effort. The team members will receive many valuable and rewarding experiences for their participation on the Indian Trail Cheer Team. Members and parents are valuable assets to both the sports teams they support and the school they represent. The activities that cheerleaders participate in, not only channel their enthusiasm and spirit in a constructive manner, but also give them a sense of pride, accomplishment and ownership. We hope that as you consider participating, you understand the skills taught during the Cheerleading season are life skills, and encompass all aspects of your students life: on the Mat, in the Classroom, at Home, and in the Community. The expectations are substantial but the rewards are GREAT!!

Sincerely,

Jalissa and Jaliyah Johnson
